We know that the discount coupon for dog sledding is not usable during your current stay. We have included it to entice you to come stay with us during the winter. Recharge your batteries with the silence and majesty of winter and/or by participating in one of the many possible winter pastimes. Please note that horseback riding and ATVing also take place year round. Yes, it can get fairly „chilly“ but, afterwards you will enjoy even more, cuddling up in front of the fireplace, warming up in the jacuzzi, hot tub or sauna and then chilling out by watching a movie or catching the game on TV
